

# Fall Family Fun

## B I N G O

Experiment with a Fall science activity	Make a Fall nature craft	Visit the library and check out books about Autumn	Take a Nighttime walk and look at the moon/stars	Decorate or carve a pumpkin
Go apple-picking at an orchard	Help rake the leaves and then Jump in the pile!	Observe animals as they get ready to migrate or hibernate	Donate to a local Food Drive	Visit a Cider Mill and learn how apple cider is made
Take a hike in the woods – bring along a favorite book	Enjoy a cup of hot cocoa, cider or warm vanilla milk	FREE SPACE for you favorite Fall activity	Create a leaf rubbing	Bake something with apples or pumpkin
Watch your favorite fall TV special	Get creative - make your costume for Halloween	Visit a Pumpkin Patch	Make a Gratitude tree or garland	Read a story outside on a blanket
Get lost in a Corn Maze or make your own Leaf Maze	Buy treats to hand out for Halloween	Cuddle in front of a fire - make s'mores or hobo pies	Go on a nature hunt for an acorn, pinecone and 3 colored leaves	Roast pumpkin seeds

Wishing you an enjoyable Autumn!
